Company Background

MZZ & Partners Resources is a Malaysian-based multi-service enterprise dedicated to delivering high-standard environmental and management solutions. Founded with a commitment to professional excellence and operational integrity, the company operates under the guiding philosophy of "Exceeding Your Expectation, consistently". Based in the corporate hub of Cyberjaya, Selangor, MZZ & Partners has established itself as a reliable partner for both public and private sectors since its incorporation in December 2018.

At the core, the company is distinguished by a team of proficient and trained cleaning professionals who uphold the highest standards of hygiene across diverse industries, including corporate, hospitality, healthcare, and retail. Beyond traditional cleaning, MZZ & Partners has strategically diversified its expertise into Property Management, specifically specializing in Airbnb, Booking.com, and Agoda management services. This ensures that short-term rental properties are maintained at peak condition to provide a seamless and positive guest experience.

Sustainability is a cornerstone of the company's operational identity. MZZ & Partners actively promotes environmentally friendly practices by utilizing biodegradable supplies and packaging, reflecting a deep-seated responsibility toward the local ecosystem while maintaining service efficacy. Their versatility is further showcased through their Trading and Supply division, which provides essential goods ranging from stationery to specialized industrial equipment.

Led by a dynamic management team, Mohamad Zikri Bin Zahrin (CEO) and Aliff Danial bin Mohd Zaini (COO), the company combines academic backgrounds in Finance, Economics, and Marketing with extensive hands-on experience in project coordination. Supported by seasoned advisor Dato' Mohd Zaini Hassan, MZZ & Partners continues to build trust through customized solutions, reliability, and rigorous quality control. As the company grows, it remains focused on scaling its operations while fostering long-term relationships through flexible, client-centric service delivery.
